Entrepreneurship and Innovation Boot Camp 2022 opens a call for 19 young entrepreneurs who can contribute to the development of the South-East region

Entrepreneurship and Innovation Boot Camp 2022

September 26th – October 2nd, 2022, Dojran

The Centre for the development of the South-East planning region together with Petreski&Partners are organizing an Entrepreneurship and Innovation Boot Camp, which will be held from September 26th to October 2nd, 2022 in Dojran.

The camp is organized in the frame of the project “Business eco-system as an integrated system - Be In”, financed by European Union and by National Funds of the participating countries under the Interreg IPA Cross - Border Programme Greece – Republic of North Macedonia.

Main goal of the camp is to encourage the entrepreneurial spirit and innovation of young people from the South-East region and to strengthen the capacities of young people from the South-East region necessary to develop their own business.

What will you learn?

The Entrepreneurship and Innovation Camp enables the development of specific skills that are indispensable for establishing your own business. Participants will have the opportunity to learn more about entrepreneurship and innovative business practices, improve their entrepreneurial skills and develop an appropriate business plan through a practical and interactive program.

Participants will have the opportunity to learn from experienced mentors and successful entrepreneurs, hear successful business stories and receive appropriate advice and recommendations on how to develop their own business ideas. Moreover, participants will learn how to prepare a business plan for their business idea and how to present it.

In addition, the Entrepreneurship and Innovation Boot Camp 2022 allows participants to network, get to know other talented young people from the region through fun and motivating content and activities.

Who is eligible to apply?

You can apply to participate in the Entrepreneurship and Innovation Camp 2022, if you:

- 1) are between the ages of 18-29;
- 2) live in one of the ten Municipalities that are part of the South-East planning region.

The selection of the best 19 candidates will be based on the quality and innovation of your answers about the business idea you have, the area you want to work in or the problem you want to solve.

At the end of the camp, as a support for their further business development, all participants will receive a Book on entrepreneurship as a gift, and the best of them will have the opportunity to use the co-working space for free, located in the premises of the Centre for development of the South-East planning region in Strumica.

Furthermore, all participants of the camp will have the opportunity to be part of a three-day study trip to Greece, which will be additionally organized within the project and during which the participants will have the opportunity to visit business start-up centers, business accelerators and successful entrepreneurs from the other side of the border, in order to further develop their entrepreneurial abilities.
