## INVITATION STUDENTS' WORKSHOP

### Sustainable management of protected areas, ecosystems and biodiversity

**Place:** Hans Em, Faculty of Forest Sciences, Landscape Architecture and Environmental Engineering, Skopje

**Date:** June 14 – 16, 2022

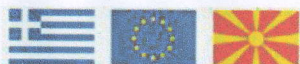

Within the framework of the INTERREG IPA Cross Border Cooperation Programme "Greece – Republic of North Macedonia 2014-2020" and the project "Improving the conservation of the priority plants in the cross border area" with the acronym "Conse-pp", the Students' workshop "Sustainable management of protected areas, ecosystems and biodiversity" with the 2 beneficiaries (LB-Institute of Plant Breeding and Genetic Resources, Hellenic Agricultural Organization and PB5-University Ss. Cyril and Methodius – Hans Em, Faculty of Forest Sciences, Landscape Architecture and Environmental Engineering) and students participation will be held from June 14 – 16, 2022, at the premises of the Hans Em, Faculty of Forest Sciences, Landscape Architecture and Environmental Engineering in Skopje. The Students' workshop will be organized with the help of learning platform Kahoot.

The Project Beneficiary, Hans Em, Faculty of Forest Sciences, Landscape Architecture and Environmental Engineering, invites you to participate in the meeting.

The workshop working language will be English.

The project is co-funded by the European Union and by National Funds of the Participating countries
