

## INVITATION

Respected,

In the frames of the project “ENPOL-EE”, from the Interreg IPA CBC “Greece – Republic of North Macedonia 2014-2020” Programme,

Municipality of Negotino is organizing an Info Day on the topic “Using of renewable sources of energy and their importance”.

Renewable energy, often referred to as clean energy, comes from natural sources or processes that are constantly replenished. Rapid deployment of renewable energy and energy efficiency, and technological diversification of energy sources, would result in significant energy security and economic benefits. It would also reduce environmental pollution such as air pollution caused by burning of fossil fuels and improve the public health.

The Info Day will take place on 27.10.2020 [Tuesday] in the Municipality of Negotino at 10:50am.

The project “**Energy efficiency in the cross-border area as an indicative factor for environmental policy**”, with acronym “ENPOL- EE”, promotes cooperation between Municipality of Negotino, Secondary Municipal School “St.Cyril and Methodius” – Negotino, Municipality of Pella and the Culture and Development Public Benefit Cooperation of the Municipality of Pella – Greece.

In addition to the invitation, you can also look the agenda.

Respectfully,

Municipality of Negotino

Mayor

Toni Delkov

The Programme is co-funded  
by the European Union  
and by National Funds  
of the Participating Countries
