To

INVITATION

for participation on informative days for decision bodies - Municipality of Negotino

Dear Sir/Madam,

It is our pleasure to invite you to attend to the informative days for decision bodies on subject: **"Protection of the biodiversity and the human environmental footprint in the section of sewage pollution"**, which will be held on **2nd and 3rd of October 2019**, at Hotel Pamela, Municipality of Negotino starting at **10:30 am**. The registration of the participants will start at 10:00 am.

First info day will be opened by the mayor of the municipality Mr. Toni Delkov, and the responsible persons of the project for Municipality of Negotino and representative of the Lead partner from Municipality of Almopia, Greece. Afterwards, representatives from the Ministry of Environment and physical planning will present the legal basis and the current state in the country from the aspect of biodiversity protection and water management and wastewater. First info day will be closed with presentation on the human environmental footprint in the section of sewage pollution. Second info day will be opened with presentation on the importance of waste water treatment plant (WWTP) accompanied by video broadcasting from the contraction of WWTP in the country. Later on will be provided presentation on the data from the conducted analysis on the water quality in the country and conducted monitoring of the cannel for fields irrigation in Negotino and Timjanicka (Negotinska) River. Second info day will be closed with site visit of the Timjanicka River quay, where will be performed overview of the collector construction and water supply network, the drains from the sewage system etc.

For the purpose of better organization, **please confirm your presence** by telephone 078-344-904 or email projectwambrella@gmail.com **not later than 11:00 o'clock on October 01, 2019**.

Info days are conducted in the frame of the project "Protection of water resources by reducing the human environmental footprint (wa-mbrella). Project is funded under the EU Instrument for Pre-Accession Assistance (IPA) Program" IPA 2014-2020 Cross-Border Cooperation (CBC) Program Greece - Republic of North Macedonia". Lead partner of the project is the Municipality of Almopia, Greece. The Municipality of Negotino is Project Partner 2, Project Partner 3 is the Municipal Enterprise for Water and Sewage of Almopia, Greece and project partner 4 is Public company Komunalec Negotino.

We sincerely hope that you will accept our invitation and will participate on the informative days,

Mayor, Toni Delkov
