

Project Implementation Seminar

Antenna Office Operation

ANTENNA OF THE JOINT SECRETARIAT

The main role of the Antenna is focused at the national level with responsibilities concern the implementation of tools and administrative procedures at Programme and Operation level, concerning project implementation, monitoring and reporting.

It supports the Programme's communication strategy which defines in detail the necessary information and publicity measures for the communication of the Cooperation Programme (Regulation (EU) No 1303/2013 and Regulation (EU) No. 447/2014

The Programme's potential beneficiaries and IPA project partners in their activities.

The Antenna acts as the interface between the project beneficiaries in IPA country and the Programme bodies.

A space devoted to:

01

Provide support to beneficiaries from the IPA country side throughout the period of implementation of operations;

02

Implement information and publicity actions in cooperation with the Joint Secretariat of the Co Operational Programme;

03

Support Joint Secretariat Managing Authority and National Authority activities as required;

Result Indicators, which record the result of the actions for Antenna are:

01

Raising awareness about the Interreg IPA CBC Programme and its funding opportunities

02

Raising awareness about project outputs and Programme results

03

Increasing capacity to beneficiaries for effective project implementation (e.g. LB seminars, guidance, etc.)

04

Raising satisfaction about information/ guidance provided to new applicants and to funded projects

“Special attention will be given to providing women as well as people with disabilities living in the eligible border region with equal opportunities to access to information.”
