

Four years on since its launch and the Programme has become a popular and successful touchstone for cross-border cooperation.

Total area coverage
29,2 million km²

FUTURE PROSPECTS

We must now capitalize on this momentum and build on early results to date so that the Programme can perform even better during its second half, preparing the ground for the successor Programme, and ensuring that its achievements will maximize the impact on the regional economy, society and environment.

REGIONS, MUNICIPALITIES AND INHABITANTS COVERED

2,3 million citizens
71 municipalities
9 regions

CONTRACTED FUNDS

38.949.061,60€
85,6% of the total Programme's budget

PROJECTS CO-FINANCED BY THE PROGRAMME

40 cross-border projects
153 unique beneficiaries

PROGRAMME DURATION & MILESTONES
