

PRESS RELEASE

BENEFIT project is celebrating its closure in an Open Day on 11.07.2023

The BENEFIT project team will share the main outcomes and results of the project in an Open Day that will be organized on Tuesday 11th July 2023 at Thessaloniki.

The Ministry of Interior (Sector Macedonia and Thrace) is organizing an Open Day aiming to promote the outcomes and the results of the project BENEFIT | Building Energy Efficiency Improvement: Demonstration for public buildings.

The open day will take place at Thessaloniki on Tuesday 11th July 2023, starting with a guided tour at the premises of the Ministry | Dioikitirio - Thessaloniki at 9.30 a.m. and will continue with two sessions dedicated to the project results' presentation and its follow-up at the Hotel Mediterranean Palace between 11.00-15.00.

With the intention to celebrate the project closure, share with the stakeholders and the public their main interventions and results within the project, as well as to co-design its follow-up, all the project partners will participate to this final open event.

In order to register, please follow the link below:

<https://forms.gle/cxKeXEEVvF8FMf8N7>

All the sessions of the open day will be in English.

Basic info concerning the project

The BENEFIT project aims to address the growing demand to improve the energy efficiency of public buildings and convert them into buildings with reduced or near-zero energy consumption. The main common cross-border challenges to be addressed by the BENEFIT project are: (a) addressing the inadequacy of public administrations in this area, (b) developing reliable, efficient and effective energy action plans for public buildings, (c) enhancing experience in the application of advanced energy modeling methodologies, (d) facilitating the collection of building energy data, (e) enriching knowledge by applying special methodological tools to classify buildings into typologies and (f) developing a specialized decision support system for planning energy upgrades.
