

INVITATION TO PARTICIPATE IN AN ENVIRONMENTAL EDUCATION PROJECT

The Municipality of Thermi, in the context of the project «Improving the conservation of the priority plants in the cross border area - (***CONSE PP***)», invites you to participate in a ***free Environmental Education Program*** that will take place in **Thermi** and will feature six (6) training sessions. The training will include issues such as Environmental Education and Awareness of Biodiversity, focusing on the plants!

Participants must be between 12 and 24 years of age, interested in the environment and biodiversity.

For information concerning the program application, please contact V.T.C. ANAVATHMISI till 29/11/2019, tel. **2310-500191**, e-mail: info@anavathmisi.net.gr or Municipality of Thermi, tel. 2313300778, e-mail: e.papanikolaou@thermi.gov.gr
