

## 3<sup>rd</sup> Newsletter

---

21<sup>th</sup>, of January 2019

**The 3<sup>rd</sup> Technical Meeting and the Steering Committee of the Project entitled “Interreg IPA Cross-border Cooperation Programme “Greece- The former Yugoslav Republic of Macedonia 2014-2020” , “We cross borders” was held on Thursday, January 17<sup>th</sup>, 2019 at the Bogorodica border station premises.**

**During the 3<sup>rd</sup> Technical Meeting the beneficiaries had the opportunity to assess the progress of the physical and economical object of the project so far, since the project is in the 10<sup>th</sup> month of its life cycle.**

**The principal objective of this project is aims to promote the improvement of the policy instruments for *cross-border cooperation* processes, *in the natural and cultural heritage protection and sustainable growth*, with capitalization of good practices, policy learning, policy implementation, development and upgrading of new policy instruments in both regions, communication and dissemination tools as well, contribution to EU policies and EU2020 targets.**

**For the next years partners will learn from each other and share their knowledge and also their challenges they face in cross- border development in order to enhance the cooperation between border entities by encouraging coordinated actions of the policy makers and technicians responsible for its implementation by *developing sustainable, homogeneous and consistent tools* on both sides of the border in heritage preservation.**
