

## INVITATION TO AN INFO EVENT

**Place: Premises of the School of Forestry and Natural Environment, Aristotle University of Thessaloniki, Foinikas Thessaloniki. (Building A, Tsoumis Hall)**

**Date: October 18th, 2023, 11:00-13:30 (local time).**

Within the framework of the INTERREG IPA Cross Border Cooperation Programme “Greece – Republic of North Macedonia 2014-2020” and the project “Nature based solutions for prevention and mitigation of natural disasters in the cross-border area” with the acronym “sol-na”, the Forest Research Institute (FRI) of the Hellenic Agricultural Organization – Demeter invites the students related to the protection of the natural environment to an educational info day.

The theme of the info day is the presentation of the development of a post fire protocol for the forest rehabilitation and floods' mitigation that has been developed in the framework of the project “sol-na”.

### Agenda of the event

- 11:00 – 11.30 Registration
- 11:30 - 11:40 Open remarks
- 11:40 - 12:00 Presentation of the project “sol-na” by Dr. Dimitris Fotakis
- 12:00 - 12:20 Fire hazard and erosion prediction system by Mr. Stefanos Papaioordanidis
- 12:20 - 12:40 Open discussion
- 13:00 Light lunch

Certificates of attendance will be given to all the participants upon the end of the event.  
For more information, please contact Dr. Dimitris Fotakis, 2310461637 (235), [fotakis@fri.gr](mailto:fotakis@fri.gr)

***Special thanks to the School of Forestry and Natural Environment for hosting the event.***

The Project is co-funded by the European Union and national funds of the participating countries.
