Training seminar on financial management for IPA beneficiaries

Outline

The training event is a spin-off of the IPA project implementation manual in force as it is integral part of the Management and Control System' documents of the INTERREG IPA CBC Programme with Greece 2014-2020.

We will aim to induct the instructions for the IPA beneficiaries in country who are currently in a phase of implementation of their projects as well as to introduce for entails of the First Level Control (FLC) system installed in country who's appointed controllers is to guarantee that the costs charged under the INTERREG-IPA CBC Programme with Greece 2014-2020 are justified and are carried out in accordance with the legal and financial clauses of the subsidy contract and within the rules governing the INTERREG-IPA CBC Programmes, the European Community regulations and the respective national legislation.

Objective of the training seminar

The objective of the event is, through active participation, to identify and learn existing rules governing the procedures for the IPA project beneficiaries of the pre-financing demands and of co-financing agreements, expenditure verifications, reporting phases, as well as the MIS system registrations and uploads of information and other topics that would help increase the quality of performance and to smooth implementation of the actions in due course within the INTERREG IPA CBC Programme with Greece 2014-2020..

Format of the seminar

National Authority in cooperation with Managing Authority of the Programme will facilitate the training seminar expecting contributions in the form of active participation in discussions about the practices used to increase the quality of reports from the project implementation phases. A joint training on facilitation will add to ways of working across beneficiaries, where cooperation between the National Authority and IPA beneficiaries from various project locations is essential. Ultimately, this should lead to improved quality of National Authority's support and assistance to IPA beneficiaries in country.

Who is it for?

The training event is dedicated to IPA beneficiaries in country from all the 40 projects under the INTERREG IPA CBC Programme with Greece 2014-2020 and to Operating structure staff within the National Authority of the Programme which are occupied on project assistances, implementation and monitoring and to them who wish to increase their knowledge of practices aimed to increasing project quality performance and quality of products/the reports.
